Driven by a conviction to unite the Americas under the patronage of Our Lady of Guadalupe, he traveled from Argentina all the way to Alaska, shaping a generation and changing history along the way. Or try the Pick of the Week for July 10th: *Truth to Inspire: St. Kateri Tekakwitha*. St. Kateri Tekakwitha, otherwise known as the "Lily of the Mohawks," became our first Indigenous Saint after her canonization in 2012.

PAPE FRANÇOIS CANADA
24 - 30 JUILLET 2022

Pope Francis will make a pastoral visit to Canada from July 24th to 29th, 2022. The Pope's visit will provide a unique opportunity for him, once again, to listen and dialogue with Indigenous Peoples, to express his heartfelt closeness and to address the impact of colonization and the participation of the Catholic Church in the operation of residential schools throughout Canada. The papal visit will also provide an opportunity for the shepherd of the world's 1.2 billion Catholics to connect with the Catholic community in Canada. Our Archdiocese will be sending a delegation of 55 Indigenous peoples, Residential school survivors from our seven Indigenous communities, who will be selected as representatives by the Chiefs and Band councils of their respective communities. As Archbishop Albert accompanies them to meet with Pope Francis, this will be an important step in Reconciliation for our local Church. To view Archbishop Albert's video message about the Papal visit, visit the [Archdiocesan Facebook page](#), [YouTube page](#) or [website](#). Sanctuary Mental Health Ministries' mission is to equip the Church to support mental health and wellbeing. Sanctuary provides all of their resources for free, and hope that they will be a blessing to you and your community. On the Sanctuary Mental Health Blog, you'll find posts from theologians, mental health professionals, and people with lived experiences of mental health challenges. The aim is to create a platform that closes the silent space where shame and confusion have thrived and instead makes room to do the important work of thinking well about mental health, theologically.
